With stunning aerial photography that will leave you mesmerized, this book takes you on an unforgettable odyssey across Alberta's diverse and awe-inspiring landscapes. From the rolling foothills and vast prairies to the towering peaks and pristine lakes, every page reveals the hidden beauty and grandeur of this remarkable region.

As you turn the pages, you'll witness the vibrant tapestry of Alberta's natural wonders. Marvel at the meandering North Saskatchewan River as it winds its way through verdant valleys. Gaze upon the emerald-green waters of Lake Louise, nestled amidst towering mountain peaks. And experience the sheer majesty of the Canadian Rockies, their snow-capped summits reaching towards the heavens.

But "Above Alberta and the Rockies" is not merely a collection of stunning photographs; it's a captivating narrative that brings the region to life. O'Brien's insightful commentary provides a rich context for each image, revealing the fascinating stories behind the landscapes. Learn about the geological forces that shaped these mountains, the wildlife that roams their slopes, and the cultural heritage that has played a role in shaping the region.

Whether you're an avid hiker, a nature enthusiast, or simply someone who appreciates the beauty of our planet, "Above Alberta and the Rockies" is a must-have for your collection. Its stunning photography and insightful narrative will transport you to a world of breathtaking natural beauty, leaving you with a deep appreciation for the wonders that lie just beyond our reach.
