Fighting Newfoundlander: Carleton Library 209 is a comprehensive and engaging account of the history of the Royal Newfoundland Regiment during the Second World War. The book is based on extensive research, including interviews with veterans and archival materials. It provides a detailed account of the regiment's training, deployment, and combat experiences.

The Royal Newfoundland Regiment

The Royal Newfoundland Regiment was a volunteer infantry regiment of the Canadian Army. It was formed in 1914 and served in both the First and

Second World Wars. The regiment was disbanded in 1949, following Newfoundland's entry into the Canadian Confederation.

The Royal Newfoundland Regiment was a highly decorated unit. It was awarded the Victoria Cross, the highest military decoration for valour in the British Commonwealth, on two occasions. The regiment also received numerous other awards and honours.

The Second World War

The Second World War was a global conflict that lasted from 1939 to 1945. It was the deadliest conflict in human history, with an estimated 40 to 85 million fatalities. The war began with the invasion of Poland by Nazi Germany on 1 September 1939.

Canada declared war on Germany on 10 September 1939. The Royal Newfoundland Regiment was mobilized shortly thereafter and deployed to England in December 1939. The regiment served in England, France, Italy, and the Netherlands during the war.

Fighting Newfoundlander: Carleton Library 209

Fighting Newfoundlander: Carleton Library 209 is a comprehensive account of the history of the Royal Newfoundland Regiment during the Second World War. The book is divided into three parts:

1. The first part provides a detailed account of the regiment's training and deployment.
2. The second part describes the regiment's combat experiences in England, France, Italy, and the Netherlands.

3. The third part examines the legacy of the Royal Newfoundland Regiment and its role in Newfoundland's history.

Fighting Newfoundlander: Carleton Library 209 is a well-written and informative book that provides a valuable contribution to the historiography of the Royal Newfoundland Regiment and the Second World War. The book is highly recommended for anyone interested in military history, Newfoundland history, or the Second World War.

Reviews

“Fighting Newfoundlander is a must-read for anyone interested in the history of the Royal Newfoundland Regiment and the Second World War. The book is well-written, informative, and engaging. It provides a valuable contribution to the historiography of the regiment and the war.”

—Dr. James Hiller, author of *The Royal Newfoundland Regiment: A History*

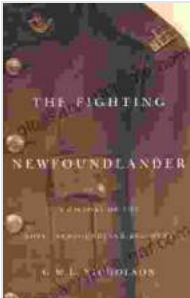

“Fighting Newfoundlander is a comprehensive and well-researched account of the history of the Royal Newfoundland Regiment during the Second World War. The book provides a detailed account of the regiment's training, deployment, and combat experiences. It is a valuable contribution to the historiography of the regiment and the war.”

—Dr. David Bercuson, author of *Canada and the Second World War*
