

Infant Losses, Adult Searches: A Path to Healing After the Unthinkable

The loss of a child is a profound and life-altering event. For parents, it can be difficult to imagine a future without their beloved child. In *Infant Losses, Adult Searches*, author Sarah Fader offers hope and healing to parents who have experienced this unimaginable loss.

Fader, a mother who has herself lost a child, writes with a deep understanding of the grief journey. She shares her own experiences and insights, as well as the stories of other parents who have lost children. Through these stories, she shows that there is no one right way to grieve and that healing is a unique and personal process.
