What is Simple Dimple?

Simple Dimple is a step-by-step guide to custom home building. It covers everything from choosing a lot and hiring a contractor to finishing your home and moving in. Written in a clear and concise style, Simple Dimple is the perfect resource for anyone who is considering building a custom home.

What sets Simple Dimple apart from other home building books?

There are a lot of home building books on the market, but Simple Dimple is different. It is the only book that is written specifically for people who are building a custom home. It is also the only book that is written by a licensed architect and contractor.

This unique perspective gives Simple Dimple a level of authority that other books simply cannot match. Author Michael A. Cancilla has been involved in the design and construction of hundreds of custom homes. He knows what it takes to build a successful home, and he shares his knowledge in Simple Dimple.

What will I learn from Simple Dimple?

In Simple Dimple, you will learn:

* How to choose the right lot for your home * How to hire the right contractor * How to design your home * How to get your home built * How to finish your home and move in * And much more!
