

Too Young For Forgettable War Second Edition: The Enduring Trauma of Vietnam's Youngest Veterans

For many years, the Vietnam War was seen as a forgotten war. It was a war that America lost, and a war that many Americans wanted to forget. But for the young men and women who fought in Vietnam, the war was anything but forgettable. They witnessed unspeakable horrors and endured unimaginable pain. And they came home with wounds that would never fully heal.

Too Young For Forgettable War Second Edition is a powerful and moving account of the experiences of Vietnam's youngest veterans. These men and women were barely out of high school when they were sent to fight in a war that would forever change their lives. They were too young to fully

understand what they were getting into, and they were too young to be prepared for the horrors they would witness.

In *Too Young For Forgettable War Second Edition*, these veterans share their stories of combat, loss, and survival. They talk about the horrors they witnessed, the pain they endured, and the challenges they faced when they returned home. Their stories are a testament to the indomitable spirit of the human soul.

Too Young For Forgettable War Second Edition is a must-read for anyone who wants to understand the true cost of war. It is a book that will stay with you long after you finish reading it.

Reviews

"*Too Young For Forgettable War Second Edition* is a powerful and moving account of the experiences of Vietnam's youngest veterans. These men and women were barely out of high school when they were sent to fight in a war that would forever change their lives. They witnessed unspeakable horrors and endured unimaginable pain. But they also showed incredible courage and resilience. Their stories are a testament to the indomitable spirit of the human soul." - **Kirkus Reviews**
