About the Code of Federal Regulations

The Code of Federal Regulations (CFR) is the official codification of the general and permanent rules and regulations published in the Federal Register by the executive departments and agencies of the Federal Government. The CFR is divided into 50 titles that represent broad areas subject to Federal regulation.

Title 20 of the CFR covers employee benefits, including social security, unemployment insurance, and employee retirement income security. The Code is updated annually to reflect changes in laws and regulations.
