

White Southerners in the Age of Civil Rights: 1945-1975

The Civil Rights era was a time of great change and upheaval in the American South. For white Southerners, it was a time of both fear and hope. They feared that the changes brought about by the Civil Rights movement would destroy their way of life. But they also hoped that these changes would bring about a more just and equitable society.

There Goes My Everything: White Southerners in the Age of Civil Rights, 1945-1975 by Jason Sokol

This book explores the experiences of white Southerners during the Civil Rights era. It examines how they reacted to the changing racial landscape of the South, and how their attitudes and beliefs were shaped by the events of the time. The book is based on extensive research, including interviews with white Southerners who lived through the era.

The book begins by looking at the pre-Civil Rights era South. It examines the social and economic conditions that led to the rise of the Civil

Rights movement. It also explores the attitudes and beliefs of white Southerners towards race and race relations.

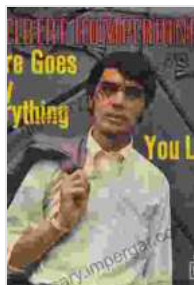

The book then goes on to examine the Civil Rights movement itself. It looks at the key events of the movement, and how they impacted white Southerners. It also examines the role of white Southerners in the movement, both as supporters and as opponents.

Finally, the book looks at the post-Civil Rights era South. It examines the changes that have taken place in the South since the Civil Rights movement, and how these changes have impacted white Southerners. It also explores the legacy of the Civil Rights movement, and how it continues to shape the South today.

This book is an essential read for anyone who wants to understand the history of the Civil Rights movement and its impact on the American South. It is a well-written and researched book that provides a unique perspective on this important period in American history.
