Who Do You Copy? is a street art autobiography that tells the story of the artist's journey from the streets of New York City to the galleries of the world. The book is filled with stunning photographs of the artist's work, as well as personal anecdotes and insights into the world of street art.

The artist, who remains anonymous, began his career as a graffiti writer in the early 2000s. He quickly gained notoriety for his unique style, which often features iconic pop culture figures and slogans. In recent years, the artist has exhibited his work in galleries around the world, and his work has been featured in numerous publications.

Who Do You Copy? is a must-read for anyone interested in street art or graffiti. The book is a beautiful and inspiring look at the life and work of one of the most talented artists of our time.
